

National Advanced Youth Leadership Experience at Philmont Scout Ranch

WHAT IS NAYLE?

National Advanced Youth Leadership Experience (NAYLE) is an exciting program where young men and women enhance their leadership skills. In 2012, six sessions will be held at Philmont Scout Ranch, and three sessions will be held on the regional level. Youth will expand upon the team-building and ethical decision-making skills learned in National Youth Leadership Training (NYLT). NAYLE emphasizes leadership, teamwork, and selfless service using the core elements of NYLT to make these skills intuitive.

WHAT CAN I EXPECT?

NAYLE is a very special experience. You will camp in a team setting that enables participants to use their leadership skills to resolve challenging situations. The week concludes with a closing challenge for each Scout to use what they've learned in service to others.

WHAT WILL I TAKE HOME FROM NAYLE?

- The skill, ability, and motivation to be a dynamic and effective leader taught through advanced, practical applications of NYLT skills.
- Innovative techniques to deliver NYLT skills to units and councils.
- Nationwide resources including new ideas and contacts that can be gained only through a program of this type.
- A personal written commitment to apply NAYLE skills back home.

WHO CAN COME?

Scouts must be at least 14 years old and not yet 21, must hold a unit leadership position, and must have completed NYLT. A NYLT to NAYLE bridge course is available for Venturers who have not been able to take NYLT. Councils may send a council contingent, units may send their leadership teams, or Scouts can come alone.
